Note that Shareholders still have the right to request paper copies of the proxy-related materials posted online by the Company under Notice-and-Access if they so choose.

The proxy-related materials are available under the Company’s profile on SEDAR+ at www.sedarplus.ca and on the Company’s website at <https://www.makominingcorp.com/investors/agsm/>.

Registered holders may request paper copies of the proxy-related materials to be sent to them by postal delivery at no cost to them. Record Date

The record date for determining the Shareholders entitled to receive notice of and to vote at the Meeting is October 19, 2026. Only Shareholders of record as of the close of business (Toronto time) on the Record Date are entitled to receive notice of and to vote at the Meeting.

Solicitation of Proxies

This Information Circular is furnished in connection with the solicitation of proxies by the management of Mako for use at the Meeting and any postponement or adjournment thereof for the purposes set forth in the Notice of Meeting. It is expected that the solicitation of proxies will be made primarily by mail, but proxies may also be solicited personally, by advertisement or by telephone by directors, officers or employees of Mako to whom no additional compensation will be paid.

Appointment of Proxyholder

The purpose of a proxy is to designate persons who will vote the proxy on a Shareholder's behalf in accordance with the instructions given by the Shareholder in the proxy. The persons whose names are printed in the enclosed form of proxy are officers or directors of Mako (the "**Management Proxyholders**").

A Shareholder has the right to appoint a person other than a Management Proxyholder, to represent the Shareholder at the Meeting by striking out the names of the Management Proxyholders and by inserting the desired person's name in the blank space provided or by executing a proxy in a form similar to the proxy form provided. A proxyholder need not be a Shareholder.

A proxy will not be valid for use at the Meeting unless the completed form of proxy is received by Mako's transfer agent, Computershare, by mail or courier to its offices at 8th Floor, 100 University Avenue, Toronto, Ontario, M5J 2Y1, Attn: Proxy Department, by fax at 1-416-263-9524 or toll free at 1-866-249-7775, or online at www.investorvote.com, not later than 10:00 a.m. (Toronto time) on December 3, 2026, or if the Meeting is adjourned or postponed, at least 48 hours, excluding Saturdays, Sundays and holidays, prior to the time of the reconvened Meeting. Late proxies may be accepted or rejected by the Chairperson of the Meeting in his or her discretion. The Chairperson is under no obligation to accept or reject any particular late proxy. The time limit for deposit of proxies may be waived or extended by the Chairperson of the Meeting at his or her discretion, without notice.

Voting By Proxy

Only registered Shareholders or duly appointed proxyholders are permitted to vote at the Meeting. Shares represented by a properly executed proxy will be voted in favour of or be withheld from voting on or be voted against each matter referred to in the Notice of Meeting, as applicable, in accordance with the instructions of the Shareholder, on any ballot that may be called for, and, if the Shareholder specifies a choice with respect to any matter to be acted upon, the shares will be voted accordingly.

If a Shareholder does not specify a choice and the Shareholder has appointed one of the Management Proxyholders as proxyholder, the Management Proxyholder will vote FOR the matters specified in the Notice of Meeting and FOR all other matters proposed by management at the Meeting.

The enclosed form of proxy also gives discretionary authority to the person named therein as proxyholder with respect to amendments or variations to matters identified in the Notice of the Meeting and with respect to other matters which may properly come before the Meeting. At the date of this Information Circular, management of the Company knows of no such amendments, variations or other matters to come before the Meeting.

Completion and Return of Proxy

Completed forms of proxy must be deposited at the office of the Company's registrar and transfer agent, Computershare Investor Services Inc., 100 University Avenue 8th Floor, Toronto, Ontario, M5J 2Y1, by mail, by fax at 1-416-263-9524 or toll free at 1-866-249-7775, or online at www.investorvote.com, not later than 10:00 a.m. (Toronto time) on December 3, 2026 or, in the case of any postponement or adjournment of the Meeting, forty-eight (48) hours, excluding Saturdays, Sundays and holidays, prior to the time of the postponed or adjourned Meeting. Late proxies may be accepted or rejected by the Chairperson of the Meeting, in his or her discretion. The Chairperson is under no obligation to accept or reject any late proxies.

Non-Registered Shareholders

Only Shareholders whose names appear on the records of Mako as the registered holders of shares or duly appointed proxyholders are permitted to vote at the Meeting. Most shareholders of

Mako are “non-registered” shareholders because the shares they own are not registered in their names but instead registered in the name of a nominee such as a brokerage firm through which they purchased the shares; bank, trust company, trustee or administrator of self-administered RRSP’s, RRIF’s, RESP’s and similar plans; or clearing agency such as The Canadian Depository for Securities Limited (a “**Nominee**”). If you purchased your shares through a broker, you are likely an unregistered holder.

The Company has distributed copies of the Notice Package to the Nominees for distribution to non-registered holders.

Nominees are required to forward the Notice Package to non-registered holders to seek their voting instructions in advance of the Meeting. Shares held by Nominees can only be voted in accordance with the instructions of the non-registered holder. The Nominees often have their own form of proxy, mailing procedures and provide their own return instructions. If you wish to vote by proxy, you should carefully follow the instructions from the Nominee in order that your shares are voted at the Meeting.

If you, as a non-registered holder, wish to vote at the Meeting in person, you should appoint yourself as proxyholder by writing your name in the space provided on the request for voting instructions or proxy provided by the Nominee and return the form to the Nominee in the envelope provided. Do not complete the voting section of the form as your vote will be taken at the Meeting.

Non-registered holders who have not objected to their Nominee disclosing certain ownership information about themselves to Mako are referred to as “non-objecting beneficial owners” (“**NOBOs**”). Those non-registered holders who have objected to their Nominee disclosing ownership information about themselves to Mako are referred to as “objecting beneficial owners” (“**OBOs**”).

Mako is sending copies of the Notice Package using Notice-and-Access directly to NOBOs in connection with the Meeting.

Mako does not intend to pay for Nominees to deliver the Notice Package and Form 54-101F7 – *Request for Voting Instructions Made by Intermediary* to OBOs. As a result, OBOs will not receive such materials unless the OBO’s intermediary assumes the cost of delivery.

Revocability of Proxy

Any registered Shareholder who has returned a proxy may revoke it at any time before it has been exercised. In addition to revocation in any other manner permitted by law, a registered Shareholder, his or her attorney authorized in writing or, if the registered Shareholder is a corporation, a corporation under its corporate seal or by an officer or attorney thereof duly authorized, may revoke a proxy by instrument in writing, including a proxy bearing a later date. The instrument revoking the proxy must be deposited at the registered office of Mako at 838 West Hastings Street, Suite 700, Vancouver, British Columbia, V6C 0A6, at any time up to and including the last business day preceding the date of the Meeting, or any adjournment thereof, or with the Chairperson of the Meeting on the day of the Meeting.

Quorum

Under the Company’s current Articles the quorum for the transaction of business at the Meeting requires at least two shareholders who, in the aggregate, hold at least 25% of the issued shares entitled to be voted at the Meeting, to be present in person or represented by proxy, irrespective of the number of persons actually present at the Meeting.

VOTING SHARES AND PRINCIPAL HOLDERS THEREOF

The Company is authorized to issue an unlimited number of common shares without par value (the “shares”), of which 87,690,077 were issued and outstanding as of October 23, 2026. Holders of shares are entitled to cast one vote per share.

Any holder of shares of record at the close of business on October 19, 2026, who has completed and delivered a proxy in the manner specified, subject to the provisions described above, will be entitled to vote or to have such Shareholder’s shares voted at the Meeting.

Compensation Discussion and Analysis

Elements of Executive Compensation

The current executive compensation program of the Company is comprised of a combination of an annual base salary, annual bonus (short-term incentive), and equity-based long-term incentive compensation in the form of stock options (“**Options**” or “**Option-Based Awards**”), restricted share units (“**RSUs**”) and/or deferred share units (“**DSUs**”, collectively with RSUs the “**Share-Based Awards**”) granted under the Omnibus Incentive Plan 2021 (the “**Omnibus Plan**”). Please refer to the “**Summary Compensation Table**”, “**Outstanding Share-Based Awards and Option-Based Awards**” and “**Incentive Plan Awards – Value Vested or Earned During the Financial Year Ended December 31, 2025**” below for further information regarding equity-based awards granted to executive officers.

The base salaries paid to officers of the Company are intended to provide fixed levels of pay that reflect each officer’s primary duties and responsibilities and the level of skill and experience required to successfully perform their role. The Company’s goal is to pay base salaries to its officers that are competitive when compared to those holding similar positions in companies of comparable stage of development and operations within the mining industry in order to attract and retain executive talent in the market in which the Company competes for talent. Base salaries are reviewed annually by the Compensation, Corporate Governance and Nominating Committee (the “**CCGN Committee**”) of the Board of Directors of the Company (the “**Board**”).

In September 2022, upon recommendation of the CCGN Committee, the Board approved and adopted a short-term incentive plan for the senior executives of the Company (the “**Scorecard**”), which includes Chief Executive Officer (“**CEO**”), Chief Financial Officer (“**CFO**”), Chief Operating Officer (“**COO**”), the President and any Vice-President, in connection with determining annual bonuses and equity-based awards to be paid to such executives. The Scorecard for the senior executives includes corporate and individual key performance indicators with the annual bonus calculated as a percentage of base salary.

The following table sets out the target maximum bonus amounts as a percentage of annual salary for the Named Executive Officers (“**NEOs**”) in 2025:

Named Executive Officer	Position	Maximum Annual Bonus Target (Percentage of Annual Salary)
Akiba Leisman	CEO	150%
Jesse Munoz	COO	100%
Steve Parsons	President	75%
Ezequiel Sirotinsky	CFO	50%
Frank Powell	VP Exploration	50%

The following table sets out performance weighting between corporate objectives and individual objectives for the NEOs in 2025:

Named Executive Officer	Position	Corporate KPIs	Individual KPIs
Akiba Leisman	CEO	80%	20%
Jesse Munoz	COO	60%	40%
Steve Parsons	President	60%	40%
Ezequiel Sirotinsky	CFO	60%	40%
Frank Powell	VP Exploration	60%	40%

Annual bonuses may be awarded at the sole discretion of the Board, based on recommendations of the CCGN Committee. As part of its duties and responsibilities and in conjunction with year-end assessments, the CCGN Committee reviews the realization of the Company's objectives and targets and meets with management to discuss and consider each element contained in the corporate objectives and targets. The CCGN Committee also meets in camera to discuss this matter.

The Company's 2025 key performance indicators (“**KPIs**”) included in the Scorecard for the 2025 year end (the “**2025 Scorecard**”) include the following corporate KPIs: production, all-in sustaining costs, significant milestones and objectives at the San Albino mine, the Moss mine and the Eagle Mountain project, and safety. Based on the CCGN Committee’s assessment, the Board recognized that 97.6% (out of a maximum 120%) of the Corporate KPIs were met. The 2025 Scorecard also included individual KPIs for each NEO. For 2025, the annual bonus (corporate + individual) was weighted to 80% of the 2025 Scorecard performance with the remaining 20% left to the discretion of the Board, which the Board exercised by giving the maximum of 20%. The resulting annual bonus was paid 70% in cash and 30% in RSUs. The annual bonus earned by each of the NEO is disclosed in the Summary Compensation Table.

The long-term incentives for senior executives are currently provided through awards granted under the Company’s Omnibus Plan. The Omnibus Plan is intended to attract, retain and motivate the executive officers and directors, among other eligible participants, of the Company, and to align the interests of those individuals with those of the Company’s shareholders with a view to driving growth and enhancing

shareholder value. The Omnibus Plan provides such individuals with an opportunity to acquire a proprietary interest in the Company's value growth through the exercise and/or vesting of the equity-based awards. Options, RSUs and/or DSUs are granted at the discretion of the Board, with the assistance of the CCGN Committee, which considers factors such as how other comparable mineral exploration and mining companies grant equity compensation and the potential value that each participant under the Omnibus Plan is contributing to the Company in determining the number of equity-based awards granted to each individual.

Options are granted at an exercise price not less than the five-day weighted average trading price of the Company's common shares for the five trading days immediately preceding the time of grant (as determined in accordance with the Omnibus Plan), and for a term of exercise not exceeding ten years. At the time of grant of an Option, the Board in its discretion may establish vesting conditions in respect of each Option grant, which may include performance criteria related to corporate or individual performance.

RSUs entitle the recipient to receive, upon settlement, shares, cash or a combination thereof as determined by the Board and subject to the provisions of the Omnibus Plan. RSUs that are subject to performance criteria may not become fully vested prior to the expiry of the restricted period. RSUs expire no later than December 31 of the calendar year which commences three years after the calendar year in which the performance of services for which the RSU was granted.

DSUs entitle the recipient to receive, upon settlement, shares or cash or a combination thereof, as determined by the Board, payable after termination of the recipient's service with the Company in accordance with the Omnibus Plan. Participants may elect annually to receive a percentage of their annual base compensation in DSUs. In addition, the Board may award such additional DSUs to a director or executive officer as the Board deems advisable to provide the participant with appropriate equity-based compensation for the services they render to the Company.

The Board believes that a sound executive compensation program directly links pay to performance, emphasizes long-term shareholder value creation and does not encourage excessive risk-taking. The Company's executive compensation framework aligns with the Company's annual and longer-term strategy and reflects compensation practices of companies of similar size and stage of development and operations, in order to ensure the compensation paid is competitive within the Company's industry.

Compensation Policies and Risk Management

The Board considers the implications of the risks associated with the Company's compensation program and practices when determining rewards for its officers. The Board reviews, at least once annually, the risks, if any, associated with the Company's compensation program and practices.

The current executive compensation structure ensures that a significant portion of executive compensation, in the form of equity-based awards, is both long-term and "at risk" and, accordingly, is directly linked to the achievement of business results and the creation of long-term shareholder value. As the benefits of such compensation, if any, are not realized by officers until a significant period of time has passed, the ability of officers to take inappropriate or excessive risks that are beneficial to their short-term compensation at the expense of the Company and the shareholders is mitigated.

Due to the size of the Company and the current level of the Company's activity, the Board is able to closely monitor and consider any risks which may be associated with the Company's compensation program and practices. Risks, if any, may be identified and mitigated through Board meetings during which financial and other information of the Company are reviewed. No risks have been identified arising from the Company's compensation policies and practices that are reasonably likely to have a material adverse effect on the Company.

Hedging of Economic Risks in the Company's Securities

The Company has not adopted a policy prohibiting directors or officers from purchasing financial instruments that are designed to hedge or offset a decrease in market value of the Company's securities granted as compensation or held, directly or indirectly, by directors or officers. However, the Company is not aware of any directors or officers having entered into this type of transaction.

Clawback Policy

The Board believes that it is in the best interests of the Company and its shareholders to create and maintain a culture that emphasizes integrity and accountability and that reinforces the Company's pay-for-performance compensation philosophy. The Board has therefore adopted a clawback policy, effective February 23, 2026, which provides for the recoupment of certain executive compensation in the event of an accounting restatement resulting from material noncompliance with financial reporting requirements under United States federal securities laws (the "**Clawback Policy**"). The Clawback Policy applies to the Company's current and former executive officers, as determined by the Board in accordance with the definition in Section 10D of the Securities Exchange Act of 1934 and Nasdaq Listing Rule 5608, including the Company's CEO, President, CFO or Controller, and each Vice President in charge of a principal business unit, division, or function, and any other officer of the Company or other person (such as an executive officer of a subsidiary) who performs similar policy-making functions for the Company ("**Covered Executives**"). In the event the Company is required to prepare an accounting restatement of its financial statements due to the Company's material noncompliance with any financial reporting requirement under applicable securities laws, including any required accounting restatement to correct an error in previously issued financial statements that is material to the previously issued financial statements or that would result in a material misstatement if the error were corrected in the current period or left uncorrected in the current period, the Board will require reimbursement or forfeiture of any excess incentive compensation that is granted, earned or vested based wholly or in part on the attainment of a financial reporting measure, including but not limited to RSUs, DSUs, Options and annual bonuses received by any Covered Executive during the three completed fiscal years immediately preceding the date on which the Company is required to prepare an accounting restatement. The amount to be recovered will be the excess of the incentive compensation paid to the Covered Executive based on the erroneous data over the incentive compensation that would have been paid to the Covered Executive had it been based on the restated results, as determined by the Board, without regard to any taxes paid by the Covered Executive in respect of the incentive compensation paid based on the erroneous data. The Board will determine, in its sole discretion, the method for recouping incentive compensation.

Share-Based Awards and Option-Based Awards

The Omnibus Plan has been used to provide Options, RSUs and/or DSUs which are granted in consideration of the level of responsibility of the executive as well as their impact or contribution to the longer-term operating performance of the Company. In determining the number of equity-based awards to be granted to the executive officers, the Board takes into account the number of equity-based awards, if any, previously granted to each executive officer, and the exercise price of any outstanding equity-based awards to ensure that such grants are in accordance with the policies of the TSX Venture Exchange (the "**TSXV**"), and closely align the interests of the executive officers with the interests of shareholders.

The Board, together with the assistance of the CCGN Committee, has the responsibility to administer the compensation program related to the executive management of the Company, including equity-based awards.

Compensation Governance

The Company's compensation philosophy for its NEOs is designed to attract well qualified individuals in what is essentially an international market by paying competitive base salaries plus short-term incentive compensation in the form of an annual bonus and long-term incentive compensation in the form of share-based awards. In June 2021, the CCGN Committee had retained the Bedford Consulting Group Inc. to provide independent advice to the CCGN Committee in connection with further developing the Company's compensation program, including establishing the STI Plan. The CCGN Committee has not retained the services of any compensation consultant since such time. The CCGN Committee makes its recommendations for the annual bonus and equity-based awards, to the Board, which meets to discuss and determine executive compensation. In making its determinations regarding the various elements of executive compensation, the CCGN Committee carried out an internal benchmark exercise of its executive compensation program at the end of 2025, which included a review of compensation practices of companies of similar size and stage of development and operations to ensure the compensation paid is competitive within the Company's industry and geographic location while taking into account the financial and other resources of the Company. The CCGN committee has adopted a formal benchmarking and peer group comparison for 2026.

The Company's CCGN Committee is currently comprised of Asheef Lalani (independent) as the Chair, John Hick (independent) and Laurie Gaborit (independent). The role of the CCGN Committee is, in part, to assist the Board in approving and monitoring the Company's practices with respect to executive compensation. The CCGN Committee members have significant experience in the mining sector as senior executives and as members of the boards of directors and committees of other public corporations. Each member draws on their respective management and executive compensation experience to provide relevant compensation-related expertise. The Board is confident that the collective experience of the CCGN Committee members ensures that the CCGN Committee has the knowledge and experience to execute its mandate effectively and to make executive compensation decisions in the best interests of the Company.

Prior Option Plan

The following is a summary of the key provisions of the Prior Option Plan implemented by the Board on March 20, 2006, as amended January 30, 2017, in accordance with the rules of the TSXV. Options previously granted under the Prior Option Plan will remain outstanding and governed by the terms of the Prior Option Plan, but no new Options will be granted thereunder.

Options granted under the Prior Option Plan are exercisable over periods of up to 10 years from the date of grant as determined by the Board and have an exercise price no less than the closing market price of the Company’s shares prevailing on the day that the Option is granted. The Prior Option Plan contains no vesting requirements, but permits the Board to specify a vesting schedule in its discretion. The Prior Option Plan provides that if a change of control, as defined therein, occurs, all shares subject to the Options shall immediately become vested and may thereupon be exercised in whole or in part by the Option holder.

If the optionee ceases to be an eligible person as a result of termination for cause of such optionee by the Company, any outstanding Option held by such optionee on the date of such termination, whether vested or not, shall be cancelled as of that date. If the optionee ceases to be an eligible person due to his or her retirement at the request of his or her employer earlier than the normal retirement date under the Company’s retirement policy then in force, or due to his or her termination by the Company other than for cause, or due to his or her voluntary resignation, the Option then held by the optionee shall be exercisable to acquire unissued option shares at any time up to but not after the earlier of the expiry date and the date which is 90 days (30 days if the optionee was engaged in investor relations activities) after the optionee or, the Board may, in its sole discretion if it determines such is in the best interests of the Company, extend the expiry date of the Option of an optionee to a later date within a reasonable period.

If the end of an Option period occurs during a blackout period imposed by the Company, such expiry shall be automatically extended to that date which is 10 business days after the end of the trading blackout.

Goldsource Option Plan

On July 3, 2024, in conjunction with the completion of the Goldsource Acquisition, the Company adopted Goldsource’s Amended and Restated Option Plan, effective as of May 3, 2022 and amended on July 3, 2024 (the “**Goldsource Option Plan**”). Holders of Options previously granted under the Goldsource Option Plan were issued replacement options by the Company based on the 0.22 exchange ratio pursuant to the terms of the Goldsource Acquisition, which replacement options will continue to be governed by the terms and conditions of the Goldsource Option Plan until exercise, termination or expiry. No new Options will be granted under the Goldsource Option Plan. The following is a summary of the key provisions of the Goldsource Option Plan.

The Goldsource Option Plan is now administered by the Board or a committee of the Board. The maximum aggregate number of common shares of the Company that may be issued pursuant to Options under the Goldsource Option Plan, together with the Prior Option Plan and the Omnibus Plan and any other equity compensation arrangements of the Company from time to time is 10% of the issued and outstanding common shares determined at the date of grant.

Options granted under the Goldsource Option Plan are exercisable over periods of up to 10 years from the date of grant, as was determined by the Goldsource board at the time of grant, and have an exercise

price no less than the last closing price of Goldsource's common shares that prevailed on the TSXV prior to the date of grant, as adjusted under the terms of the Goldsource Acquisition. The Options are governed by vesting schedules as were determined by the Goldsource board, in its discretion, at the time of grant.

If an optionee ceases to be an eligible person under the terms of the Goldsource Option Plan, the Options held by such optionee shall be exercisable to acquire the underlying shares at any time up to the earlier of the expiry date and the date which is 90 after the optionee last ceases to be an eligible person. In the event of the death of an optionee while in service to the Company or a subsidiary of the Company, each outstanding Option held by the optionee (to the extent then vested and not exercised) shall be exercisable until the earlier of (a) the expiration of one year following such death unless an earlier date is provided for in the option agreement or certificate and (b) the expiry of the Option period. Notwithstanding the foregoing, the Board, in its sole discretion, may determine to extend the expiry date of such Options to a later date not to exceed one year from the date the optionee ceases to be an eligible person.

If there is a takeover bid or tender offer made for all or any of the issued and outstanding common shares of the Company, then the Board or committee may, by resolution, permit all Options outstanding to become immediately exercisable in order to permit the shares issuable under such Options to be tendered to the offer. If for any reason the offer is not validly completed or all shares tendered are not validly taken up and paid for by the offeror, then the applicable Options will be reinstated as if they had not been exercised (and any exercise price paid will be returned) and such Options will continue to be governed under the Goldsource Option Plan as they were previous to such offer.

If the end of an Option period occurs during a blackout period imposed by the Company, such expiry shall be automatically extended to that date which is 10 business days after the end of the trading blackout.

Section 2.1 Purpose of the Plan.

The purpose of the Plan is to permit the Company to grant Awards to Eligible Participants, subject to certain conditions as hereinafter set forth, for the following purposes:

- (a) to increase the interest in the Company’s welfare of those Eligible Participants, who share responsibility for the management, growth and protection of the business of the Company or a Subsidiary;
- (b) to provide an incentive to such Eligible Participants to continue their services for the Company or a Subsidiary and to encourage such Eligible Participants whose skills, performance and loyalty to the objectives and interests of the Company or a Subsidiary are necessary or essential to its success, image, reputation or activities;
- (c) to reward Participants for their performance of services while working for the Company or a Subsidiary; and

- (d) to provide a means through which the Company or a Subsidiary may attract and retain able Persons to enter its employment or service.

Section 2.2 Implementation and Administration of the Plan.

- (1) The Plan shall be administered and interpreted by the board of directors of the Company (the “**Board**”) or, if the Board by resolution so decides, by a committee or plan administrator appointed by the Board. If such committee or plan administrator is appointed for this purpose, all references to the “Board” herein will be deemed references to such committee or plan administrator. Nothing contained herein shall prevent the Board from adopting other or additional Share Compensation Arrangements or other compensation arrangements, subject to any required approval.
- (2) Subject to Article 7 and any applicable rules of a Stock Exchange, the Board may, from time to time, as it may deem expedient, adopt, amend and rescind rules and regulations or vary the terms of this Plan and/or any Award hereunder for carrying out the provisions and purposes of the Plan and/or to address tax or other requirements of any applicable jurisdiction.
- (3) Subject to the provisions of this Plan, the Board is authorized, in its sole discretion, to make such determinations under, and such interpretations of, and take such steps and actions in connection with, the proper administration and operations of the Plan as it may deem necessary or advisable. The Board may delegate to officers or managers of the Company, or committees thereof, the authority, subject to such terms as the Board shall determine, to perform such functions, in whole or in part. Any such delegation by the Board may be revoked at any time at the Board’s sole discretion. The interpretation, administration, construction and application of the Plan and any provisions hereof made by the Board, or by any officer, manager, committee or any other Person to which the Board delegated authority to perform such functions, shall be final and binding on the Company, its Subsidiaries and all Eligible Participants.
- (4) No member of the Board or any Person acting pursuant to authority delegated by the Board hereunder shall be liable for any action or determination taken or made in good faith in the administration, interpretation, construction or application of the Plan or any Award granted hereunder. Members of the Board or and any person acting at the direction or on behalf of the Board, shall, to the extent permitted by law, be fully indemnified and protected by the Company with respect to any such action or determination.
- (5) The Plan shall not in any way fetter, limit, obligate, restrict or constrain the Board with regard to the allotment or issuance of any Shares or any other securities in the capital of the Company. For greater clarity, the Company shall not by virtue of this Plan be in any way restricted from declaring and paying stock dividends, repurchasing Shares or varying or amending its share capital or corporate structure.

Section 2.3 Participation in this Plan.

- (1) The Company makes no representation or warranty as to the future market value of the Shares or with respect to any income tax matters affecting any Participant resulting from the grant of an Award, the exercise of an Option or transactions in the Shares or otherwise in respect of participation under the Plan. Neither the Company, nor any of its directors, officers, employees, shareholders or agents shall be liable for anything done or omitted to be done by such Person or any other Person with respect to the price, time, quantity or other conditions and circumstances of the issuance of Shares hereunder, or in any other manner related to the Plan. For greater certainty, no amount will be paid to, or in respect of, a Participant under the Plan or pursuant to any other arrangement, and no additional Awards will be granted to such Participant to compensate for a downward fluctuation in the price of the Shares, nor will any other form of benefit be conferred upon, or in respect of, a Participant for such purpose. The Company and its Subsidiaries do not

assume and shall not have responsibility for the income or other tax consequences resulting to any Participant and each Participant is advised to consult with his or her own tax advisors.

- (2) Participants (and their legal representatives) shall have no legal or equitable right, claim, or interest in any specific property or asset of the Company or any of its Subsidiaries. No asset of the Company or any of its Subsidiaries shall be held in any way as collateral security for the fulfillment of the obligations of the Company or any of its Subsidiaries under this Plan. Unless otherwise determined by the Board, this Plan shall be unfunded. To the extent any Participant or his or her estate holds any rights by virtue of a grant of Awards under this Plan, such rights (unless otherwise determined by the Board) shall be no greater than the rights of an unsecured creditor of the Company.
- (3) Unless otherwise determined by the Board, the Company shall not offer financial assistance to any Participant in regards to the exercise of any Award granted under this Plan.
- (4) The Board may also require that any Eligible Participant in the Plan provide certain representations, warranties and certifications to the Company to satisfy the requirements of applicable laws, including, without limitation, exemptions from the registration requirements of the U.S. Securities Act, and applicable U.S. state securities laws.
- (5) In connection with an Award to be granted to any Eligible Participant, it shall be the responsibility of such person and the Company to confirm that such person is a bona fide Eligible Participant for the purposes of participation under the Plan.

- (2) The maximum number of Shares issuable at any time pursuant to outstanding Awards under this Plan shall be equal to 10% of the Outstanding Issue.
- (3) No Award that can be settled in Shares issued from treasury may be granted if such grant would have the effect of causing the total number of Shares subject to such Award to exceed the above-noted total numbers of Shares reserved for issuance pursuant to the settlement of Awards.
- (4) No new grants of options will be made under the Existing Option Plan.
- (5) The Plan is an “evergreen” plan, as Shares of the Company covered by Awards which have been exercised or settled, as applicable, and Awards which expire or are forfeited, surrendered, cancelled or otherwise terminated or lapse for any reason without having been exercised, will be available for subsequent grant under the Plan and the number of Awards that may be granted under the Omnibus Plan increases if the total number of issued and outstanding Shares of the Company increases. Shares will not be deemed to have been issued pursuant to the Plan with respect to any portion of an Award that is settled in cash.
- (6) The maximum number of Shares that may be issued pursuant to Options intended as ISOs shall be limited to 10% of the Outstanding Issue, measured as of the date this Plan is submitted to shareholders for approval, as the same may be adjusted pursuant to Section 7.1.

- (4) Subject to the policies of the applicable Stock Exchange, any Award granted pursuant to the Plan, or securities issued under the Existing Option Plan and any other Share Compensation Arrangement, prior to a Participant becoming an Insider, shall be excluded from the purposes of the limits set out in Section 2.5(2) and Section 2.5(3).
- (5) The TSXV Share Limits shall apply to the Shares issued or issuable under any Award granted under the Plan and any other Share Compensation Arrangement, subject to the Shares being listed for trading on the TSX Venture Exchange.

Section 2.6 Granting of Awards.

Any Award granted under the Plan shall be subject to the requirement that, if at any time the Company shall determine that the listing, registration or qualification of the Shares subject to such Award, if applicable, upon any stock exchange or under any law or regulation of any jurisdiction, or the consent or approval of any stock exchange or any governmental or regulatory body, is necessary as a condition of, or in connection with, the grant of such Awards or exercise of any Option or the issuance or purchase of Shares thereunder, if applicable, such Award may not be accepted or exercised in whole or in part unless such listing, registration, qualification, consent or approval shall have been effected or obtained on conditions acceptable to the Board. Nothing herein shall be deemed to require the Company to apply for or to obtain such listing, registration, qualification, consent or approval.

ARTICLE 3 OPTIONS

Section 3.1 Nature of Options.

An Option is an option granted by the Company to a Participant entitling such Participant to acquire a designated number of Shares from treasury at the Option Price, but subject to the provisions hereof. For the avoidance of doubt, no Dividend Equivalents shall be granted in connection with an Option.

Section 3.2 Option Awards.

Subject to the provisions set forth in this Plan and any shareholder or regulatory approval which may be required, the Board shall, from time to time by resolution, in its sole discretion, (i) designate the Eligible Participants who may receive Options under the Plan, (ii) fix the number of Options, if any, to be granted to each Eligible Participant and the date or dates on which such Options shall be granted, (iii) determine the price per Share to be payable upon the exercise of each such Option (the “**Option Price**”) and the relevant vesting provisions (including Performance Criteria, if applicable) and the Option Term, the whole subject to the terms and conditions prescribed in this Plan or in any Option Agreement, and any applicable rules of a Stock Exchange.

Section 3.3 Option Price.

The Option Price for Shares that are the subject of any Option shall be determined and approved by the Board when such Option is granted, but shall not be less than the Market Value of such Shares at the time of the grant. Notwithstanding the foregoing, the Option Price for Shares subject to an Option granted to a U.S. Participant shall not be less than the fair market value of such Shares on the date of grant, determined

in accordance with Section 409A of the U.S. Tax Code and, in the case of an ISO, Section 422 of the U.S. Tax Code.

Section 3.4 Option Term.

- (1) The Board shall determine, at the time of granting the particular Option, the period during which the Option is exercisable, which shall not be more than ten (10) years from the date the Option is granted (“**Option Term**”).
- (2) Should the expiration date for an Option fall within a Black-Out Period or within ten (10) Business Days following the expiration of a Black-Out Period, such expiration date shall be automatically extended without any further act or formality to that date which is the tenth (10th) Business Day after the end of the Black-Out Period, such tenth (10th) Business Day to be considered the expiration date for such Option for all purposes under the Plan. Provided that in no event shall the term of an option granted to a U.S. Participant be extended beyond its original term.

Section 3.5 Exercise of Options.

Prior to its expiration or earlier termination in accordance with the Plan, each Option shall be exercisable at such time or times and/or pursuant to the achievement of such Performance Criteria and/or other vesting conditions as the Board at the time of granting the particular Option, may determine in its sole discretion. For greater certainty, any exercise of Options by a Participant shall be made in accordance with any insider trading policies implemented by the Company.

Section 3.6 Method of Exercise and Payment of Purchase Price.

- (1) Subject to the provisions of the Plan, an Option granted under the Plan shall be exercisable (from time to time as provided in Section 3.5 hereof) by the Participant (or by the liquidator, executor or administrator, as the case may be, of the estate of the Participant) by delivering a fully completed Exercise Notice to the Company at its registered office to the attention of the Corporate Secretary of the Company (or the individual that the Corporate Secretary of the Company may from time to time designate) or give notice in such other manner as the Company may from time to time designate, which notice shall specify the number of Shares in respect of which the Option is being exercised and shall be accompanied by full payment, by cash, certified cheque, bank draft or any other form of payment deemed acceptable by the Board of the purchase price for the number of Shares specified therein and, if required by Section 8.2, the amount necessary to satisfy any taxes.
- (2) Upon the exercise, the Company shall, as soon as practicable after such exercise but no later than ten (10) Business Days following such exercise, forthwith cause the transfer agent and registrar of the Shares either to:
 - (a) deliver to the Participant (or to the liquidator, executor or administrator, as the case may be, of the estate of the Participant) a certificate in the name of the Participant representing in the aggregate such number of Shares as the Participant (or to the liquidator, executor or administrator, as the case may be, of the estate of the Participant) shall have then paid for and as are specified in such Exercise Notice; or
 - (b) in the case of Shares issued in uncertificated form, cause the issuance of the aggregate number of Shares as the Participant (or the liquidator, executor or administrator, as the case may be, of the estate of the Participant) shall have then paid for and as are specified in such Exercise Notice to be evidenced by a book position on the register of the shareholders of the Company to be maintained by the transfer agent and registrar of the Shares.
- (3) Subject to the rules and policies of the Stock Exchange, the Board may, in its discretion and at any time, determine to grant a Participant the alternative, when entitled to exercise an Option, to deal with such Option on a “cashless exercise” basis, on such terms as the Board may determine in its

discretion (the “**Cashless Exercise Right**”). Without limitation, the Board may determine in its discretion that such Cashless Exercise Right, if any, grant a Participant the right to terminate such Option in whole or in part by notice in writing to the Company and in lieu of receiving Shares pursuant to the exercise of the Option, receive, without payment of any cash other than pursuant to Section 8.2

- (a) that number of Shares, disregarding fractions, which when multiplied by the Market Value on the day immediately prior to the exercise of the Cashless Exercise Right, have a total value equal to the product of that number of Shares subject to the Option multiplied by the difference between the Market Value on the day immediately prior to the exercise of the Cashless Exercise Right and the Option Price; or
 - (b) a cash payment equal to the difference between the Market Value on the day immediately prior to the date of the exercise of the Cashless Exercise Right, and the Option Price, less applicable withholding taxes as determined and calculated by the Company, excluding fractions.
- (4) In the event the Company determines to accept the Participant’s request pursuant to a Cashless Exercise Right, the Company shall make an election pursuant to subsection 110(1.1) of the Tax Act.

Section 3.7 Option Agreements.

Options shall be evidenced by an Option Agreement, in such form not inconsistent with the Plan as the Board may from time to time determine. The Option Agreement may contain any such terms that the Company considers necessary in order that the Option will comply with any provisions respecting options in the income tax or other laws in force in any country or jurisdiction of which the Participant may from time to time be resident or citizen or the rules of any regulatory body having jurisdiction over the Company.

Section 3.8 Incentive Stock Options.

- (1) ISOs are available only for Participants who are employees of the Company, or a “parent corporation” or “subsidiary corporation” (as such terms are defined in Section 424(e) and (f) of the U.S. Tax Code), on the date the Option is granted. In addition, a Participant who holds an ISO must continue as an employee, except that upon termination of employment the Option will continue to be treated as an ISO for up to three months, after which the Option will no longer qualify as an ISO, except as provided in this Section 3.8(1). A Participant’s employment will be deemed to continue during period of sick leave, military leave or other bona fide leave of absence, provided the leave of absence does not exceed three (3) months, or the Participant’s return to employment is guaranteed by statute or contract. If a termination of employment is due to permanent disability, an Option may continue its ISO status for up to one year, and if the termination is due to death, the ISO status may continue for the balance of the Option’s term. Nothing in this Section 3.8(1) will be deemed to extend the original expiry date of an Option.
- (2) A Participant who owns, or is deemed to own, pursuant to Section 424(d) of the U.S. Tax Code, Shares possessing more than ten percent (10%) of the total combined voting power of all classes of stock of the Company may not be granted an Option that is an ISO unless the Option Price is at least one hundred and ten percent (110%) of the fair market value of the Shares, as of the date of the grant, determined in accordance with Section 422 of the U.S. Tax Code, and the Option is not exercisable after the expiration of five (5) years from the date of grant.
- (3) To the extent the aggregate fair market value (determined as of the date of grant in accordance with Section 422 of the U.S. Tax Code) of Shares with respect to which ISOs are exercisable for the first time by a Participant during any calendar year (under all plans of the Company and any affiliates) exceeds One Hundred Thousand United States Dollars (US\$100,000), the Options or portions

thereof that exceed such limit (according to the order in which they were granted) shall be treated as Options other than ISOs, notwithstanding any contrary provision in the applicable Option Agreement.

ARTICLE 4

RESTRICTED SHARE UNITS

Section 4.1 Nature of RSUs.

A Restricted Share Unit is an Award in the nature of a bonus for services rendered that, upon settlement, entitles the recipient Participant to acquire Shares as determined by the Board or to receive the Cash Equivalent or a combination thereof, as the case may be, pursuant and subject to such restrictions and conditions as the Board may determine at the time of grant, unless such RSU expires prior to being settled. Vesting conditions may, without limitation, be based on continuing employment (or other service relationship) and/or achievement of Performance Criteria. Unless otherwise determined by the Board in its discretion, the Award of an RSU is considered a bonus for services rendered in the calendar year in which the Award is made.

Section 4.2 RSU Awards.

- (1) The Board shall, from time to time by resolution, in its sole discretion, (i) designate the Eligible Participants who may receive RSUs under the Plan, (ii) fix the number of RSUs, if any, to be granted to each Eligible Participant and the date or dates on which such RSUs shall be granted, (iii) determine the relevant conditions and vesting provisions (including the applicable Performance Period and Performance Criteria, if any) and the Restriction Period of such RSUs, (provided, however, that no such Restriction Period shall exceed the 3 years referenced in Section 4.3) and (iv) any other terms and conditions applicable to the granted RSUs, which need not be identical and which, without limitation, may include non-competition provisions, subject to the terms and conditions prescribed in this Plan and in any RSU Agreement.
- (2) Subject to the vesting and other conditions and provisions in this Plan and in the RSU Agreement, each vested RSU awarded to a Participant shall entitle the Participant to receive one Share, the Cash Equivalent or a combination thereof upon confirmation by the Board that the vesting conditions (including the Performance Criteria, if any) have been met and no later than the last day of the Restriction Period. For greater certainty, RSUs that are subject to Performance Criteria may not become fully vested by the last day of the Restricted Period.

Section 4.3 Restriction Period.

The applicable restriction period in respect of a particular RSU shall be determined by the Board but in all cases shall end no later than December 31 of the calendar year which commences three (3) years after the calendar year in which the performance of services for which such RSU is granted, occurred (“**Restriction Period**”). All unvested RSUs shall be cancelled on the RSU Vesting Determination Date (as such term is defined in Section 4.4) and, in any event: (i) all unvested RSUs shall be cancelled no later than the last day of the Restriction Period.

Section 4.4 RSU Vesting Determination Date.

The vesting determination date means the date on which the Board determines if the Performance Criteria and/or other vesting conditions with respect to an RSU have been met (the “**RSU Vesting Determination Date**”), and as a result, establishes the number of RSUs that become vested, if any. For greater certainty, the RSU Vesting Determination Date must fall after the end of the Performance Period, if any, but no later than; (i) December 15 of the calendar year which commences three (3) years after the calendar year in which the performance of services for which such RSU is granted, occurred. Notwithstanding the foregoing,

for any U.S. Participant, the RSU Vesting Determination Date shall occur no later than March 15 of the calendar year following the end of the Performance Period.

Section 4.5 Settlement of RSUs.

- (1) Except as otherwise provided in the RSU Agreement, all of the vested RSUs covered by a particular grant shall be settled as soon as practicable and in any event within ten (10) Business Days following their RSU Vesting Determination Date and no later than the end of the Restriction Period (the “**RSU Settlement Date**”).
- (2) Settlement of RSUs shall take place promptly following the RSU Settlement Date and no later than the end of the Restriction Period, and shall take the form determined by the Board, in its sole discretion. Settlement of RSUs shall be subject to Section 8.2 and shall take place through:
 - (a) in the case of settlement of RSUs for their Cash Equivalent, delivery of a cheque to the Participant representing the Cash Equivalent;
 - (b) in the case of settlement of RSUs for Shares (which may include Shares purchased in the secondary market by a trustee or administrative agent appointed by the Board):
 - (i) delivery to the Participant (or to the liquidator, executor or administrator, as the case may be, of the estate of the Participant) of a certificate in the name of the Participant representing in the aggregate such number of Shares as the Participant (or to the liquidator, executor or administrator, as the case may be, of the estate of the Participant) shall be entitled to receive (unless the Participant intends to simultaneously dispose of any such Shares); or
 - (ii) in the case of Shares issued in uncertificated form, issuance of the aggregate number of Shares as the Participant (or the liquidator, executor or administrator, as the case may be, of the estate of the Participant) shall be entitled to receive to be evidenced by a book position on the register of the shareholders of the Company to be maintained by the transfer agent and registrar of the Shares; or
 - (c) in the case of settlement of the RSUs for a combination of Shares and the Cash Equivalent, a combination of (a) and (b) above.
- (3) Notwithstanding the foregoing, for any U.S. Participant, the RSU Settlement Date and delivery of Shares or Cash Equivalent, if any, shall each occur no later than March 15 of the calendar year following the end of the Performance Period.

Section 4.6 Determination of Amounts.

- (1) For purposes of determining the Cash Equivalent of RSUs to be made pursuant to Section 4.5, such calculation will be made on the RSU Settlement Date based on the Market Value on the RSU Settlement Date multiplied by the number of vested RSUs in the Participant’s Account to settle in cash.
- (2) For the purposes of determining the number of Shares to be issued or delivered to a Participant upon settlement of RSUs pursuant to Section 4.5, such calculation will be made on the RSU Settlement Date based on the whole number of Shares equal to the whole number of vested RSUs then recorded in the Participant’s Account to settle in Shares.

Section 4.7 RSU Agreements.

RSUs shall be evidenced by an RSU Agreement in such form not inconsistent with the Plan as the Board may from time to time determine. The RSU Agreement may contain any such terms that the Company considers necessary in order that the RSU will comply with any provisions respecting restricted share units

in the income tax or other laws in force in any country or jurisdiction of which the Participant may from time to time be resident or citizen or the rules of any regulatory body having jurisdiction over the Company.

Section 4.8 Award of Dividend Equivalents.

Dividend Equivalents may, as determined by the Board in its sole discretion, be awarded in respect of unvested RSUs in a Participant's Account on the same basis as cash dividends declared and paid on Shares as if the Participant was a shareholder of record of Shares on the relevant record date. Dividend Equivalents, if any, will be credited to the Participant's Account in additional RSUs, the number of which shall be equal to a fraction where the numerator is the product of (i) the number of RSUs in such Participant's Account on the date that dividends are paid multiplied by (ii) the dividend paid per Share and the denominator of which is the Market Value of one Share calculated on the date that dividends are paid. Any additional RSUs credited to a Participant's Account as a Dividend Equivalent pursuant to this Section 4.8 shall have an RSU Vesting Determination Date which is the same as the RSU vesting Determination Date for the RSUs in respect of which such additional RSUs are credited.

In the event that the Participant's applicable RSUs do not vest, all Dividend Equivalents, if any, associated with such RSUs will be forfeited by the Participant and returned to the Company's account.

ARTICLE 5 DEFERRED SHARE UNITS

Section 5.1 Nature of DSUs.

A Deferred Share Unit is an Award attributable to a Participant's duties as a director or executive officer of the Company or a Subsidiary and that, upon settlement, entitles the recipient Participant to receive such number of Shares (which may include Shares purchased in the secondary market by a trustee or administrative agent appointed by the Board) as determined by the Board, or to receive the Cash Equivalent or a combination thereof, as the case may be, and is payable after Termination of Service of the Participant.

Section 5.2 DSU Awards.

The Board shall, from time to time by resolution, in its sole discretion, (i) designate the Eligible Participants who may receive DSU Awards under the Plan, and (ii) fix the number of DSU Awards to be granted to each Eligible Participant and the date or dates on which such DSU Awards shall be granted, subject to the terms and conditions prescribed in this Plan and in any DSU Agreement. Each DSU awarded shall entitle the Participant to one Share, or the Cash Equivalent, or a combination thereof.

Section 5.3 Payment of Annual Base Compensation.

- (1) Each Participant may elect to receive in DSUs any portion or all of their Annual Base Compensation by completing and delivering a written election to the Company on or before November 15th of the calendar year ending immediately before the calendar year with respect to which the election is made. Such election will be effective with respect to compensation payable for fiscal quarters beginning during the calendar year following the date of such election. Elections hereunder shall be irrevocable with respect to compensation earned during the period to which such election relates.
- (2) Further, where an individual becomes a Participant for the first time during a fiscal year and, for individuals that are U.S. Participants, such individual has not previously participated in a plan that is required to be aggregated with this Plan for purposes of Section 409A of the U.S. Tax Code, such individual may elect to defer Annual Base Compensation with respect to fiscal quarters of the Company commencing after the Company receives such individual's written election, which election must be received by the Company no later than thirty (30) days after the later of the Plan's adoption or such individual's appointment as a Participant. For greater certainty, new Participants will not be entitled to receive DSUs for any Annual Base Compensation earned pursuant to an

election for the quarter in which they submit their first election to the Company or any previous quarter.

- (3) All DSUs granted with respect to Annual Base Compensation will be credited to the Participant's Account when such Annual Base Compensation is payable (the "**Grant Date**").
- (4) The Participant's Account will be credited with the number of DSUs calculated to the nearest thousandths of a DSU, determined by dividing the dollar amount of compensation payable in DSUs on the Grant Date by the Market Value of the Shares. Fractional Deferred Share Units will not be issued and any fractional entitlements will be rounded down to the nearest whole number.

Section 5.4 Additional Deferred Share Units.

In addition to DSUs granted pursuant to Section 5.3, the Board may award such number of DSUs to a Participant as the Board deems advisable to provide the Participant with appropriate equity-based compensation for the services they render to the Company. The Board shall determine the date on which such DSUs may be granted and the date as of which such DSUs shall be credited to a Participant's Account. An award of DSUs pursuant to this Section 5.4 shall be subject to a DSU Agreement evidencing the Award and the terms applicable thereto.

Section 5.5 Settlement of DSUs.

- (1) A Participant may receive their Shares, or Cash Equivalent, or a combination thereof, to which such Participant is entitled upon Termination of Service, by filing a redemption notice on or before December 15 of the first calendar year commencing after the date of the Participant's Termination of Service. Notwithstanding the foregoing, if any Participant does not file such notice on or before that December 15, the Participant will be deemed to have filed the redemption notice on December 15 (the date of the filing or deemed filing of the redemption notice, the "**Filing Date**"). In all cases for each U.S. Participant, the U.S. Participant will be deemed to have filed the redemption notice on the date of their Termination of Service.
- (2) The Company will make payment of the DSU Settlement Amount as soon as reasonably possible following the Filing Date and in any event no later than the end of the first calendar year commencing after the Participant's Termination of Service. In all cases for each U.S. Participant, the Company will make payment of the DSU Settlement Amount as soon as reasonably possible following the Filing Date and in any event no later than March 1 of the calendar year following Termination of Service.
- (3) In the event of the death of a Participant, the Company will, subject to Section 8.2, make payment of the DSU Settlement Amount within two months of the Participant's death to or for the benefit of the legal representative of the deceased Participant. For the purposes of the calculation of the Settlement Amount, the Filing Date shall be the date of the Participant's death.
- (4) Subject to the terms of the DSU Award Agreement, including the satisfaction or, at the discretion of the Board, waiver of any vesting conditions, settlement of DSUs shall take place promptly following the Filing Date, and take the form as determined by the Board, in its sole discretion. Settlement of DSUs shall be subject to Section 8.2 and shall take place through:
 - (a) in the case of settlement of DSUs for their Cash Equivalent, delivery of a cheque to the Participant representing the Cash Equivalent;
 - (b) in the case of settlement of DSUs for Shares:
 - (i) delivery to the Participant (or to the liquidator, executor or administrator, as the case may be, of the estate of the Participant) of a certificate in the name of the Participant representing in the aggregate such number of Shares as the Participant

(or to the liquidator, executor or administrator, as the case may be, of the estate of the Participant) shall be entitled to receive (unless the Participant intends to simultaneously dispose of any such Shares); or

- (ii) in the case of Shares issued in uncertificated form, issuance of the aggregate number of Shares as the Participant (or the liquidator, executor or administrator, as the case may be, of the estate of the Participant) shall be entitled to receive to be evidenced by a book position on the register of the shareholders of the Company to be maintained by the transfer agent and registrar of the Shares; or
- (c) in the case of settlement of the DSUs for a combination of Shares and the Cash Equivalent, a combination of (a) and (b) above.

Section 5.6 Determination of DSU Settlement Amount.

- (1) For purposes of determining the Cash Equivalent of DSUs to be made pursuant to Section 5.5 such calculation will be made on the Filing Date based on the Market Value on the Filing Date multiplied by the number of vested DSUs in the Participant's Account to settle in cash.
- (2) For the purposes of determining the number of Shares to be issued or delivered to a Participant upon settlement of DSUs pursuant to Section 5.5, such calculation will be made on the Filing Date based on the whole number of Shares equal to the whole number of vested DSUs then recorded in the Participant's Account to settle in Shares.

Section 5.7 DSU Agreements.

DSUs shall be evidenced by a DSU Agreement in such form not inconsistent with the Plan as the Board may from time to time determine. The DSU Agreement may contain any such terms that the Company considers necessary in order that the DSU will comply with any provisions respecting deferred share units in the income tax or other laws in force in any country or jurisdiction of which the Participant may from time to time be resident or citizen or the rules of any regulatory body having jurisdiction over the Company.

Section 5.8 Award of Dividend Equivalents.

Dividend Equivalents may, as determined by the Board in its sole discretion, be awarded in respect of DSUs in a Participant's Account on the same basis as cash dividends declared and paid on Shares as if the Participant was a shareholder of record of Shares on the relevant record date. Dividend Equivalents, if any, will be credited to the Participant's Account in additional DSUs, the number of which shall be equal to a fraction where the numerator is the product of (i) the number of DSUs in such Participant's Account on the date that dividends are paid multiplied by (ii) the dividend paid per Share and the denominator of which is the Market Value of one Share calculated on the date that dividends are paid. Any additional DSUs credited to a Participant's Account as a Dividend Equivalent pursuant to this Section 5.8 shall be subject to the same terms and conditions as the underlying DSU Award.

ARTICLE 6 GENERAL CONDITIONS

Section 6.1 General Conditions Applicable to Awards.

Each Award, as applicable, shall be subject to the following conditions:

- (1) **Vesting Period.** Each Award granted hereunder shall vest in accordance with the terms of the Grant Agreement entered into in respect of such Award. The Board has the right to accelerate the date upon which any Award becomes exercisable notwithstanding the vesting schedule set forth for such Award, regardless of any adverse or potentially adverse tax consequence resulting from such acceleration. Notwithstanding the foregoing, with respect to Awards granted to a U.S. Participant,

acceleration of vesting shall not accelerate payment of an Award subject to Section 409A except as permitted under Section 409A.

- (2) **Employment.** Notwithstanding any express or implied term of this Plan to the contrary, the granting of an Award pursuant to the Plan shall in no way be construed as a guarantee by the Company or a Subsidiary to the Participant of employment or another service relationship with the Company or a Subsidiary. The granting of an Award to a Participant shall not impose upon the Company or a Subsidiary any obligation to retain the Participant in its employ or service in any capacity. Nothing contained in this Plan or in any Award granted under this Plan shall interfere in any way with the rights of the Company or any of its Affiliates in connection with the employment, retention or termination of any such Participant. The loss of existing or potential profit in Shares underlying Awards granted under this Plan shall not constitute an element of damages in the event of termination of a Participant's employment or service in any office or otherwise.
- (3) **Grant of Awards.** Eligibility to participate in this Plan does not confer upon any Eligible Participant any right to be granted Awards pursuant to this Plan. Granting Awards to any Eligible Participant does not confer upon any Eligible Participant the right to receive nor preclude such Eligible Participant from receiving any additional Awards at any time. The extent to which any Eligible Participant is entitled to be granted Awards pursuant to this Plan will be determined in the sole discretion of the Board. Participation in the Plan shall be entirely voluntary and any decision not to participate shall not affect an Eligible Participant's relationship or employment with the Company or any Subsidiary.
- (4) **Rights as a Shareholder.** Neither the Participant nor such Participant's personal representatives or legatees shall have any rights whatsoever as shareholder in respect of any Shares covered by such Participant's Awards by reason of the grant of such Award until such Award has been duly exercised, as applicable, and settled and Shares have been issued in respect thereof. Subject to Section 4.8 and Section 5.8, no adjustment shall be made for dividends or other rights for which the record date is prior to the date such Shares have been issued.
- (5) **Conformity to Plan.** In the event that an Award is granted or a Grant Agreement is executed which does not conform in all particulars with the provisions of the Plan, or purports to grant Awards on terms different from those set out in the Plan, the Award or the grant of such Award shall not be in any way void or invalidated, but the Award so granted will be adjusted to become, in all respects, in conformity with the Plan.
- (6) **Non-Transferrable Awards.** Except as specifically provided in a Grant Agreement approved by the Board, each Award granted under the Plan is personal to the Participant and shall not be assignable or transferable by the Participant, whether voluntarily or by operation of law, except by will or by the laws of succession of the domicile of the deceased Participant. No Award granted hereunder shall be pledged, hypothecated, charged, transferred, assigned or otherwise encumbered or disposed of on pain of nullity. Notwithstanding the foregoing, an ISO may not be transferred other than by will or the laws of descent and distribution and, during the Participant's lifetime, may be exercised only by the Participant.
- (7) **Participant's Entitlement.** Except as otherwise provided in this Plan or unless the Board permits otherwise, upon any Subsidiary of the Company ceasing to be a Subsidiary of the Company, Awards previously granted under this Plan that, at the time of such change, are held by a Person who is a director, executive officer, employee or Consultant of such Subsidiary of the Company and not of the Company itself, whether or not then exercisable, shall automatically terminate on the date of such change.

Section 6.2 General Conditions Applicable to Options.

Each Option shall be subject to the following conditions:

- (1) **Termination for Cause.** Upon a Participant ceasing to be an Eligible Participant for Cause, any vested or unvested Option granted to such Participant shall terminate automatically and become void immediately. For the purposes of the Plan, the determination by the Company that the Participant was discharged for Cause shall be binding on the Participant. “Cause” shall include, among other things, gross misconduct, theft, fraud, breach of confidentiality or breach of the Company’s codes of conduct and any other reason determined by the Company to be cause for termination.
- (2) **Termination not for Cause.** Upon a Participant ceasing to be an Eligible Participant as a result of his or her employment or service relationship with the Company or a Subsidiary being terminated without Cause, (i) any unvested Option granted to such Participant shall terminate and become void immediately and (ii) any vested Option granted to such Participant may be exercised by such Participant. Unless otherwise determined by the Board, in its sole discretion, such Option shall only be exercisable within the earlier of ninety (90) days after the Termination Date, or the expiry date of the Option set forth in the Grant Agreement, after which the Option will expire.
- (3) **Resignation.** Upon a Participant ceasing to be an Eligible Participant as a result of his or her resignation from the Company or a Subsidiary, (i) each unvested Option granted to such Participant shall terminate and become void immediately upon resignation and (ii) unless otherwise determined by the Board, in its sole discretion, each vested Option granted to such Participant will cease to be exercisable on the earlier of the thirty (30) days following the Termination Date and the expiry date of the Option set forth in the Grant Agreement, after which the Option will expire.
- (4) **Permanent Disability/Retirement.** Upon a Participant ceasing to be an Eligible Participant by reason of retirement (in accordance with any retirement policy implemented by the Company from time to time) or permanent disability, (i) any unvested Option shall terminate and become void immediately, and (ii) any vested Option will cease to be exercisable on the earlier of the ninety (90) days from the date of retirement or the date on which the Participant ceases his or her employment or service relationship with the Company or any Subsidiary by reason of permanent disability, and the expiry date of the Option set forth in the Grant Agreement, after which the Option will expire.
- (5) **Death.** Upon a Participant ceasing to be an Eligible Participant by reason of death, any vested Option granted to such Participant may be exercised by the liquidator, executor or administrator, as the case may be, of the estate of the Participant for that number of Shares only which such Participant was entitled to acquire under the respective Options (the “Vested Awards”) on the date of such Participant’s death. Such Vested Awards shall only be exercisable within twelve (12) months after the Participant’s death or prior to the expiration of the original term of the Options whichever occurs earlier.

Section 6.3 General Conditions Applicable to RSUs.

Each RSU shall be subject to the following conditions:

- (1) **Termination for Cause and Resignation.** Upon a Participant ceasing to be an Eligible Participant for Cause or as a result of his or her resignation from the Company or a Subsidiary, the Participant’s participation in the Plan shall be terminated immediately, all RSUs credited to such Participant’s Account that have not vested shall be forfeited and cancelled, and the Participant’s rights to Shares or Cash Equivalent or a combination thereof that relate to such Participant’s unvested RSUs shall be forfeited and cancelled on the Termination Date. The Participant shall not receive any payment in lieu of cancelled RSUs that have not vested.
- (2) **Death or Termination.** Except as otherwise determined by the Board from time to time, at its sole discretion, upon a Participant ceasing to be an Eligible Participant as a result of (i) death, (ii) retirement, (iii) Termination for reasons other than for Cause, (iv) his or her employment or service relationship with the Company or a Subsidiary being terminated by reason of injury or disability or

(v) becoming eligible to receive long-term disability benefits, all unvested RSUs in the Participant's Account as of such date relating to a Restriction Period in progress shall be terminated, and the Participant shall not receive any payment in lieu of cancelled RSUs.

- (3) **General.** For greater certainty, where a Participant's employment or service relationship with the Company or a Subsidiary is terminated pursuant to Section 6.3(1) or Section 6.3(2) hereof following the satisfaction of all vesting conditions in respect of particular RSUs but before receipt of the corresponding distribution or payment in respect of such RSUs, the Participant shall remain entitled to such distribution or payment.

ARTICLE 7 ADJUSTMENTS AND AMENDMENTS

Section 7.1 Adjustment to Shares.

In the event of (i) any subdivision of the Shares into a greater number of Shares, (ii) any consolidation of Shares into a lesser number of Shares, (iii) any reclassification, reorganization or other change affecting the Shares, (iv) any merger, amalgamation or consolidation of the Company with or into another corporation, or (v) any distribution to all holders of Shares or other securities in the capital of the Company, of cash, evidences of indebtedness or other assets of the Company (excluding an ordinary course dividend in cash or Shares, but including for greater certainty shares or equity interests in a Subsidiary or business unit of the Company or one of its Subsidiaries or cash proceeds of the disposition of such a Subsidiary or business unit) or any transaction or change having a similar effect, then the Board shall in its sole discretion, subject to the required approval of any Stock Exchange, determine the appropriate adjustments or substitutions to be made in such circumstances in order to maintain the economic rights of the Participant in respect of such Award in connection with such occurrence or change, including, without limitation:

- (a) adjustments to the exercise price of such Award without any change in the total price applicable to the unexercised portion of the Award;
- (b) adjustments to the number of Shares to which the Participant is entitled upon exercise of such Award; or
- (c) adjustments to the number or kind of Shares reserved for issuance pursuant to the Plan.

Section 7.2 Change of Control.

- (1) In the event of a potential Change of Control, the Board shall have the power, in its sole discretion, subject to Section 7.3, to modify the terms of this Plan and/or the Awards to assist the Participants to tender into a take-over bid or to participate in any other transaction leading to a Change of Control.
- (2) If the Company completes a transaction constituting a Change of Control and within twelve (12) months following the Change of Control (i) a Participant who was also an officer or employee of, or Consultant to, the Company prior to the Change of Control has their position, employment or Consulting Agreement terminated, or the Participant is constructively dismissed, or (ii) a director ceases to act in such capacity, then all unvested RSUs shall immediately vest and shall be paid out, and all unvested Options shall vest and become exercisable. Any Options that become exercisable pursuant to this Section 7.2(2) shall remain open for exercise until the earlier of their expiry date as set out in the Award Agreement and the date that is 90 days after such termination or dismissal.
- (3) Notwithstanding any other provision of this Plan, this Section 7.2 shall not apply with respect to any DSUs held by a Participant where such DSUs are governed under paragraph 6801(d) of the regulations under the Tax Act or any successor to such provision.

- (4) Notwithstanding any other provision of this Plan, for all U.S. Participants, with respect to Awards that are subject to Section 409A of the U.S. Tax Code, no payment shall be made upon a “Change of Control” unless such Change of Control constitutes a “change in control event” within the meaning of Section 409A; otherwise, the Award shall remain payable at the time otherwise provided under the Plan or applicable Grant Agreement.

Section 7.3 Amendment or Discontinuance of the Plan.

- (1) The Board may suspend or terminate the Plan at any time. Notwithstanding the foregoing, any suspension or termination of the Plan shall be such that the Plan continuously meets the requirements of paragraph 6801(d) of the regulations under the Tax Act or any successor to such provision.
- (2) The Board may from time to time, in its absolute discretion and without approval of the shareholders of the Company amend any provision of this Plan or any Award, subject to any regulatory or stock exchange requirement at the time of such amendment, including, without limitation:
- (i) any amendment to the general vesting provisions, if applicable, of the Plan or of the Awards;

 - (vi) any amendment regarding the administration of the Plan;
 - (vii) any amendment to add provisions permitting the grant of Awards settled otherwise than with Shares issued from treasury, a form of financial assistance or clawback, and any amendment to a provision permitting the grant of Awards settled otherwise than with Shares issued from treasury, a form of financial assistance or clawback which is adopted; and
 - (viii) any other amendment that does not require the approval of the shareholders of the Company under Section 7.3(3)(b).
- (3) Notwithstanding Section 7.3(2):
- (a) no such amendment shall alter or impair the rights of any Participant, without the consent of such Participant except as permitted by the provisions of the Plan;
 - (b) the Board shall be required to obtain shareholder approval to make the following amendments:

ARTICLE 8 MISCELLANEOUS

Section 8.1 Use of an Administrative Agent and Trustee.

The Board may in its sole discretion appoint from time to time one or more entities to act as administrative agent or trustee to administer the Awards granted under the Plan, including for the purposes of making secondary market purchases of Shares for delivery on settlement of an Award, if applicable, and to act as trustee to hold and administer the assets that may be held in respect of Awards granted under the Plan, the whole in accordance with the terms and conditions determined by the Board in its sole discretion. The Company and the administrative agent will maintain records showing the number of Awards granted to each Participant under the Plan.

Section 8.2 Tax Withholding.

- (1) Notwithstanding any other provision of this Plan, all distributions, delivery of Shares or payments to a Participant (or to the liquidator, executor or administrator, as the case may be, of the estate of the Participant) under the Plan shall be made net of such withholdings, including in respect of applicable taxes and source deductions, as the Company determines. If the event giving rise to the withholding obligation involves an issuance or delivery of Shares, then, the withholding may be satisfied in such manner as the Company determines, including by (a) having the Participant elect to have the appropriate number of such Shares sold by the Company, the Company's transfer agent and registrar or any trustee appointed by the Company pursuant to Section 8.1 hereof, on behalf of and as agent for the Participant as soon as permissible and practicable, with the proceeds of such sale being delivered to the Company, which will in turn remit such amounts to the appropriate governmental authorities, or (b) any other mechanism as may be required or determined by the Company as appropriate.

- (2) Notwithstanding Section 8.2(1), the applicable tax withholdings may be waived where a Participant directs in writing that a payment be made directly to the Participant's registered retirement savings plan in circumstances to which subsection 100(3) of the regulations made under the Tax Act apply.

Section 8.3 US Tax Compliance.

- (1) DSU Awards granted to U.S. Participants are intended to comply with, and Option and RSU Awards granted to U.S. Participants are intended to be exempt from, all aspects of Section 409A of the U.S. Tax Code and related regulations ("**Section 409A**"). Notwithstanding any provision to the contrary, all taxes associated with participation in the Plan, including any liability imposed by Section 409A, shall be borne by the U.S. Participant.
- (2) For purposes of interpreting and applying the provisions of any DSU or other Award subject to Section 409A, the term "termination of employment" or similar phrase will be interpreted to mean a "separation from service," as defined under Section 409A, provided, however, that with respect to an Award subject to the Tax Act, if the Tax Act requires a complete termination of the employment relationship to receive the intended tax treatment, then "termination of employment" will be interpreted to only include a complete termination of the employment relationship.
- (3) If payment under any DSU or other Award subject to Section 409A is in connection with the U.S. Participant's separation from service, and, at the time of the separation from service, the Participant is a "specified employee" (within the meaning of Section 409A), then any payment that would otherwise be payable during the six-month period following the separation from service will be delayed until after the expiration of the six-month period, to the extent necessary to avoid taxes and penalties under Section 409A, provided that any amounts that would have been paid during the six-month period may be paid in a single lump sum on the first day of the seventh month following the separation from service or, if earlier, upon the U.S. Participant's death.

Section 8.4 Clawback.

Notwithstanding any other provisions in this Plan, any Award which is subject to recovery under any law, government regulation or stock exchange listing requirement, will be subject to such deductions and clawback as may be required to be made pursuant to such law, government regulation or stock exchange listing requirement (or any policy adopted by the Company pursuant to any such law, government regulation or stock exchange listing requirement). Without limiting the generality of the foregoing, the Board may provide in any case that outstanding Awards (whether or not vested or exercisable) and the proceeds from the exercise or disposition of Awards or Shares acquired under Awards will be subject to forfeiture and disgorgement to the Company, with interest and other related earnings, if the Participant to whom the Award was granted violates (i) a non-competition, non-solicitation, confidentiality or other restrictive covenant by which he or she is bound, or (ii) any policy adopted by the Company applicable to the Participant that provides for forfeiture or disgorgement with respect to incentive compensation that includes Awards under the Plan. In addition, the Board may require forfeiture and disgorgement to the Company of outstanding Awards and the proceeds from the exercise or disposition of Awards or Shares acquired under Awards, with interest and other related earnings, to the extent required by law or applicable stock exchange listing standards, including and any related policy adopted by the Company. Each Participant, by accepting or being deemed to have accepted an Award under the Plan, agrees to cooperate fully with the Board, and to cause any and all permitted transferees of the Participant to cooperate fully with the Board, to effectuate any forfeiture or disgorgement required hereunder. Neither the Board nor the Company nor any other person, other than the Participant and his or her permitted transferees, if any, will be responsible for any adverse tax or other consequences to a Participant or his or her permitted transferees, if any, that may arise in connection with this Section 8.4.

Section 8.5 Securities Law Compliance.

- (1) The Plan (including any amendments to it), the terms of the grant of any Award under the Plan, the grant of any Award and exercise of any Option, and the Company's obligation to sell and deliver Shares in respect of any Awards, shall be subject to all applicable federal, provincial, state and foreign laws, rules and regulations, the rules and regulations of applicable Stock Exchanges and to such approvals by any regulatory or governmental agency as may, as determined by the Company, be required. The Company shall not be obliged by any provision of the Plan or the grant of any Award hereunder to issue, sell or deliver Shares in violation of such laws, rules and regulations or any condition of such approvals.
- (2) No Awards shall be granted in the United States and no Shares shall be issued in the United States pursuant to any such Awards unless such Shares are registered under the U.S. Securities Act and any applicable state securities laws or an exemption from such registration is available. Any Awards granted in the United States, and any Shares issued pursuant thereto, that are not registered under the U.S. Securities Act will be "restricted securities" (as such term is defined in Rule 144(a)(3) under the U.S. Securities Act). Any certificate or instrument representing Awards granted in the United States or Shares issued in the United States pursuant to such Awards pursuant to an exemption from registration under the U.S. Securities Act and applicable state securities laws shall bear substantially the following legend restricting transfer under applicable United States federal and state securities laws:

THE SECURITIES REPRESENTED HEREBY [and for Awards, the following will be added: AND THE SECURITIES ISSUABLE PURSUANT HERETO] HAVE NOT BEEN AND WILL NOT BE REGISTERED UNDER THE UNITED STATES SECURITIES ACT OF 1933, AS AMENDED (THE "U.S. SECURITIES ACT"), OR THE SECURITIES LAWS OF ANY STATE OF THE UNITED STATES AND MAY NOT BE OFFERED, SOLD, PLEDGED OR OTHERWISE TRANSFERRED EXCEPT (A) TO THE COMPANY, (B) OUTSIDE THE UNITED STATES IN COMPLIANCE WITH REGULATIONS UNDER THE U.S. SECURITIES ACT AND IN COMPLIANCE WITH APPLICABLE LOCAL LAWS AND REGULATIONS, (C) PURSUANT TO THE EXEMPTION FROM REGISTRATION UNDER THE U.S. SECURITIES ACT PROVIDED BY (1) RULE 144 THEREUNDER, IF AVAILABLE, OR (2) RULE 144A THEREUNDER, IF AVAILABLE, AND IN EACH CASE IN COMPLIANCE WITH APPLICABLE STATE SECURITIES LAWS OR (D) IN A TRANSACTION THAT DOES NOT REQUIRE REGISTRATION UNDER THE U.S. SECURITIES ACT OR ANY APPLICABLE STATE SECURITIES LAWS, AND, IN CONNECTION WITH ANY TRANSFERS PURSUANT TO (C)(1) OR (D) ABOVE, THE SELLER HAS FURNISHED TO THE COMPANY AN OPINION OF COUNSEL OF RECOGNIZED STANDING OR OTHER EVIDENCE, IN FORM AND SUBSTANCE REASONABLY SATISFACTORY TO THE COMPANY, TO THAT EFFECT. DELIVERY OF THIS CERTIFICATE MAY NOT CONSTITUTE "GOOD DELIVERY" IN SETTLEMENT OF TRANSACTIONS ON STOCK EXCHANGES IN CANADA.

- (3) No Awards shall be granted, and no Shares shall be issued, sold or delivered hereunder, where such grant, issue, sale or delivery would require registration of the Plan or of the Shares under the securities laws of any jurisdiction or the filing of any prospectus for the qualification of same thereunder, and any purported grant of any Award or purported issue or sale of Shares hereunder in violation of this provision shall be void.
- (4) The Company shall have no obligation to issue any Shares pursuant to this Plan unless upon official notice of issuance such Shares shall have been duly listed with a Stock Exchange. Shares issued, sold or delivered to Participants under the Plan may be subject to limitations on sale or resale under applicable securities laws.

- (5) If Shares cannot be issued to a Participant upon the exercise of an Option due to legal or regulatory restrictions, the obligation of the Company to issue such Shares shall terminate and any funds paid to the Company in connection with the exercise of such Option will be returned to the applicable Participant as soon as practicable.

Section 8.6 Reorganization of the Company.

The existence of any Awards shall not affect in any way the right or power of the Company or its shareholders to make or authorize any adjustment, reclassification, recapitalization, reorganization or other change in the Company's capital structure or its business, or any amalgamation, combination, merger or consolidation involving the Company or to create or issue any bonds, debentures, shares or other securities of the Company or the rights and conditions attaching thereto or to affect the dissolution or liquidation of the Company or any sale or transfer of all or any part of its assets or business, or any other corporate act or proceeding, whether of a similar nature or otherwise.

Section 8.7 Quotation of Shares.

So long as the Shares are listed on one or more Stock Exchanges, the Company must apply to such Stock Exchange or Stock Exchanges for the listing or quotation, as applicable, of the Shares underlying the Awards granted under the Plan, however, the Company cannot guarantee that such Shares will be listed or quoted on any Stock Exchange.

Section 8.8 No Fractional Shares.

No fractional Shares shall be issued upon the exercise or vesting of any Award granted under the Plan and, accordingly, if a Participant would become entitled to a fractional Share upon the exercise or settlement of such Award, or from an adjustment permitted by the terms of this Plan, such Participant shall only have the right to purchase or receive, as the case may be, the next lowest whole number of Shares, and no payment or other adjustment will be made with respect to the fractional interest so disregarded.

Section 8.9 Governing Laws.

The Plan and all matters to which reference is made herein shall be governed by and interpreted in accordance with the laws of the Province of British Columbia and the laws of Canada applicable therein.

Section 8.10 Severability.

The invalidity or unenforceability of any provision of the Plan shall not affect the validity or enforceability of any other provision and any invalid or unenforceable provision shall be severed from the Plan.

Section 8.11 Effective Date of the Plan

The Plan was adopted by the Board on July 5, 2021, became effective upon approved by the shareholders of the Company on August 19, 2021, and amended by the Board October 26, 2026.
